

INSTRUCTIONS FOR HEALTHSTREAM PLC ACCESS

- HealthStream (www.healthstream.com/HCA) – Search for Course Name in “Catalog”*

COURSE NAME = FLUOROSCOPY RADIATION SAFETY TRAINING FOR PHYSICIANS

If you are logged into the HCA network, you will automatically be signed in to Healthstream when you access the site above. If you are not logged into the HCA network, your username is your 3/4 ID and your password is the same one you use for the HCA network.

- If you have not worked at an HCA facility in the Central/West Texas division yet, **please wait until after you have completed your EHR computer training at one of the facilities before you attempt accessing HealthStream PLC.** You will receive a separate email with the information you need to set up an EHR computer training after your initial approval.

*Example of Course search:

The screenshot shows a web browser window displaying the HealthStream PLC Catalog. The search bar contains the text "Fluoroscopy Safety Training". The results page shows a list of five courses, each with an "Info" button and a "Show additional information" link. The courses are:

- Fluoroscopy Safety Training – Individual User Education (COURSE) ACTIVITIES: Online
- Fluoroscopy Safety Training: Cardiac Labs, Interventional Labs, Mobile C-arms (COURSE) CE: 1.00 Hour(s) ACTIVITIES: Online
- Fluoroscopy Safety Training – A Guide for Interventional Staff (COURSE) ACTIVITIES: Online
- Radiation Right: Safety Considerations for Fluoroscopic Procedures (COURSE) ACTIVITIES: Test, Evaluation, Course Attachment, Online
- General Radiation Safety (COURSE) CE: 0.25 Hour(s) ACTIVITIES: Online

The page also includes a filter sidebar on the left with categories like Clinical Education (7), Clinical Information Services (4), Compliance (4), HealthStream Collections (3), and Audience (2). The top navigation bar includes links for Connections, MyTeam, To Do, Completed, Profile, Raters, Catalog, Help, and Take a Tour. The user is logged in as Beth English, Central West Texas Physicians.
